

TAB Technician Training

We are offering three (1.5)-hour virtual classes

Attend any 2 of the 3 classes to satisfy NEBB's annual CEC requirements

Class is held from 6:00 pm to 7:30 pm EST

THREE CLASSES TO CHOOSE FROM

- **April 8th – HVAC Fundamentals:** you will learn the fundamentals that TAB Technicians need to know.
- **April 15th – Fundamental Fluid Mechanics:** learn the basics of fluid flow and measurement for TAB Technicians
- **April 22nd – Fundamental Psychrometrics:** Covering the basics of heat transfer and moisture properties of air for the TAB technician

This training is open to all NEBB Certified and Non-Certified Technicians

Fee: **\$25.00** per class Location: **Virtually on TEAMS**

You will receive an MS TEAMS e-mail invitation following your registration.

Please register by filling out the attached registration form and submitting it to capmarvainternationalchapter@nebb.org no later than 04/01/25. Once received, Barbara will e-mail you an invoice for payment.
